Let your creativity be your guide in designing your own custom umbrella design.

Color coordinate two Sunbrella fabrics to create a unique designer's touch.

Sandwich two coordinating fabrics or use one fabric throughout to achieve this contemporary look.

Create a unique fashion statement with a 4" band of Sunbrella fabric for a contemporary look.

Achieve a classic Euro Cafe look by adding a decorative 7" valance in a solid or contrasting color.

The scallop valance is a modern twist to the classic straight valance. Complete the look with one of our coordinated Sunbrella bindings. See our collection of Sunbrella bindings at our website, www.galtechcorp.com

Note: Designer Studio Covers are available in Sunbrella fabrics only.
All Designer Studio covers are made to order. Allow additional lead time
